Re: U.S. Patent Application Serial Number 09/483,537

Dear Examiner Campen:

Thank you for your call of earlier today in which you requested certain replacement sheets for the above-referenced application, particularly for an amendment filed on September 30, 2004. I understand that the Amendment as filed failed to refer to the status of claims 1-20 and thus was designated a non-compliant response. In order to quickly move the RCE into condition to be examined you have suggested sending this fax to your attention. The enclosed replacement sheets do list the status of claims 1-20. Other than this change, no other changes have been made to the Amendment. If anything else is needed in this regard please let me know.

Very truly yours,

Jeffrey S. Standley
